### **Guide to making a Subject Access Request**

#### **1. Introduction**

These notes are intended only as a guide to completing the Gas Safe Register Subject Access Request form, not as a guide to the Act itself. Completion of the form is not compulsory but is designed to help you in providing us with the information we need to deal with your request.

#### **2. Your Rights**

Under the Act you have (subject to certain exemptions) the right to be told whether Gas Safe Register, is holding or processing any information about you; and if so, to be provided with a copy of that information.

#### **3. Gas Safe Register's Rights**

Where an exemption is available under the Act, Gas Safe Register may not provide you with the information covered by the exemption. The main exemptions that may be applied are where the information held relates to:

- the carrying out of our regulatory functions;
- the prevention or detection of crime; or
- the apprehension or prosecution of offenders.

and where disclosure of the information would be likely to prejudice any of these purposes. We are not required to tell you whether any exemptions have been applied to any information that we may provide, or whether any information has been withheld or the reason for the withholding of any information.

#### **4. How long will it take to get my data?**

Once we are satisfied that you meet the criteria for the disclosure of data under the Data Protection Legislation and have provided sufficient information for us to confirm your identity and accept your application for processing, you should receive a response within one calendar month from that date.

### **Completing the application form**

#### **1. Section 1 - About Yourself**

Please give us information about yourself that will assist us in finding the information you require. You should complete this section fully and carefully as the information will be used as the basis for our internal searches.

For your protection, any correspondence that we send you (including any information that we send to you in response to your request) will be sent only to the home address that you give here.

Where you have submitted the request via your legal representatives, you are still required to complete the form in full and provide proof of identity. Our response will be sent to your legal representatives' registered offices.

The information will also help Gas Safe Register to confirm your identity.

#### **2. Section 2 - Proof of identity**

Gas Safe Register has a duty to ensure that the information it processes is secure and will only provide the information relating to you if we are satisfied regarding your identity i.e., that you are entitled to the information. We therefore require you to provide us with reasonable proof of your identity. Examples of the types of identity documents that we will accept are listed under Section 2. Applications that do not include acceptable identification will not be processed until this is received, but we will contact you should this be the case.

Gas Safe Register does not have to give you any information that might identify any other individual unless that person agrees. If you believe that any information Gas Safe Register holds about you may identify another person, you may wish to obtain that person's written consent (to you being given his/her

information). That should be submitted to us with this application, along with their proof of identity (to the same standard as is required for yourself).

**3. Section 3 - Helping us to find the information.**

To assist us with our searches, please try to specify the nature of the information that you are seeking and its possible location if known.
